## **Macomb County earns award for financial reporting**

MOUNT CLEMENS, Mich. –The Government Finance Officers Association of the United States and Canada presented a Certificate of Achievement in Financial Reporting to Macomb County for its 2005 fiscal report.

The association said an impartial panel judged Macomb County's comprehensive annual financial report to meet the high standards of the program, "including demonstrating a constructive spirit of full disclosure to clearly communicate its financial story and motivate potential users and user groups to read the report."

The GFOA – with offices in Chicago and Washington, D.C. – is a nonprofit professional association serving about 16,000 government finance professionals.
